GNK GOLF

A range of golf
courses that will make
players of all levels
enjoy playing golf.

Six courses designed with all the experience and professionalism of the prestigious company Nicklaus Design, which has hit its zenith with the Alhama Signature Golf Course, whose design has been personally executed by Jack Nicklaus to offer a unique experience in the Region of Murcia.

MAR MENOR GOLF

If the objective is to enjoy two vastly different experiences, but equally exciting, in the same golf course, Mar Menor Golf is the best option. Designed by two of the great all-time designers, Dave Thomas and Nicklaus Design, combining two different philosophies in a single golf course, with the added challenge of having its own “amen corner”, a spectacular lake which has become one of the best water hazards of the Region of Murcia.

COURSE INFORMATION

Web	www.gnkgolf.com	Designer	Dave Thomas (1-6, 17-18) Nicklaus Design (7-16)

Telephone	(+34) 968 041 765	Links distance	6,153 5,801 5,101
E-mail	info@gnkgolf.com		

ALHAMA SIGNATURE

For its great length, its original circular tees, fast greens and wide fairways and to have been personally designed by Jack Nicklaus,

Alhama Signature is considered one of the best golf courses in all of Spain, as well as a being a challenge for any golfer.

As if that were not enough, the entire golf course area is a wonderful natural reserve, combining all the passion of the sport and the beauty of unparalleled surroundings.

EL VALLE GOLF

Its exceptional location in a natural valley, surrounded by setting of limestone rocks with fabulous waterfalls and predominance of autochthonous flora, making this golf course a unique showpiece in the Region. Technically, the course of El Valle Golf rewards above all the intelligence of the player, something that has allowed the fairway course to host the Spanish Professional Competition and the European Tour School Stage 2, in 2010 and 2011.

LORCA GOLF COURSE

Lorca Golf
Course

LORCA GOLF COURSE

On the outskirts of the Sierra de Almenara, just a 10 minute drive from the historic city of Lorca and the magnificent beaches of Águilas, a majestic golf course in the middle of nature can be found.

It is the only golf course in Murcia next to a protected natural park, a special site where one will not only find 3,000 hours of sunshine per year, but also exceptional cultural and gastronomic traditions.

The par 71, 18 hole golf course designed by Dave Thomas features wide and undulating greens and

strategically placed bunkers which provide entertainment and excitement at every turn, pleasant surprises awaiting the player on every hole.

Since the official opening day on 11 November 2011, this golf course has hosted several tournaments, reinforcing its position as a favourite for professionals and amateurs alike and has similarly received wide media coverage by the most important regional and national communication media.

An aerial photograph of a grand, domed building, likely a museum or government building, with a large, dark, tiled dome and ornate classical architecture. The building is situated in a coastal city. In the foreground, a wide, paved plaza with palm trees and pedestrians leads towards the building. To the left, a marina filled with sailboats is visible. In the background, a large body of water (harbor) stretches out, with a long bridge and distant mountains under a clear sky. The text "A REGION TO DISCOVER" is overlaid in white, serif capital letters across the center of the image.

A
REGION
TO
DISCOVER

EMBLEMATIC CITIES

The Region of Murcia invites you to wander about its cities so that you can become familiar with and understand the **richness and diversity of its cultures**.

You can choose from strolling through **Murcia**, the capital of eternal spring, to become familiar with **Cartagena**, a city with over 3,000 years of history or travel back in time in **Lorca**, also known for its extensive baroque heritage.

GASTRONOMY

The most tastiest part of the Region of Murcia is, undoubtedly, its gastronomy. Our land is a **crossroads of cultures** and this is demonstrated in its cuisine. Vegetables from the **garden**, treasures of the **sea**, typical dishes and an **excellent sweets** draw a landscape of delicious flavours. The good weather allows one to enjoy tapas in its lively squares and streets throughout the year. Here tradition coexists with the new ways of understanding cuisine.

WINE ROUTES

In the Region of Murcia vines have been grown and wines elaborated since Roman times. Whites, reds and rosés of the three existing **Denominations of Origin: Bullas, Jumilla and Yecla**. Rich in nuances and increasingly enjoying greater prestige from among the public around the world. If you wish to discover the wines and enjoy the tourism, pucker up and come over to make any of the Wine Routes of these municipalities.

HEALTH AND BEAUTY

If you need a break, we have many options on offer. The **healing waters** of the Region of Murcia are made available for relaxing and taking care of yourself, via **health resorts, thalassotherapy centres and spas**, not forgetting the power of the **Mar Menor mud baths**.

LIVE MUSIC

The Costa Cálida is a land of festivals: **flamenco, jazz, rock, pop, classical, ethnic, contemporary...** throughout the year, **dozens of festivals** throughout the Region of Murcia offer a wide range of styles for enjoying music with all the senses.

SHOPPING

Going shopping in the Region of Murcia is much more than buying. It is enjoying a leisure experience in **small charming stores**, in **traditional markets** or in **shopping centres**.

It's finding what you're looking for to fulfil your desires and to have an unforgettable memory... plus very fashionable.
